

## EEEI 335 Computer-Aided Design-Assignment No.1.

**Due Date: 17<sup>th</sup> November 2024**

Q1) Draw the objects in Figures 1 and 2 using AutoCAD drafting tools. Indicate the dimensions. All dimensions are in mm. Set drawings in different layouts on suitable drawing paper sizes, in landscape or portrait format. Include a title block that should capture your name, registration number, drawing name, scale, and other typical title block sections. Use the batch plot command to print all the layouts to one PDF file and share through the provided link. Rename the PDF as "Assignment 1-Your Name & Registration Number"
